WENT UP 9 MILLION

ASSESSED VALUATION OF TOWNSHIP IS TRIPLED

BIG RAISE OVER 1916

New Plan of Actual Cash Valuations to Form Basis for Securing Needed Revenues — A Lower Tax Levy

Under the new state law requiring tax assessors to assess all property at its actual cash value, the valuation of all property in Polk township is $13,767,113, just $9,735,895 more than for the preceding year, according to the report made by Fred Smith, township assessor. The increased valuation does not mean that taxes will be higher, for it is proposed to decrease the tax levies in order to make an equitable taxation that will secure enough money to run the state government. The new plan of valuation will form a basis for getting the needed revenue for schools and government institutions that was not possible under the old plan.

The assessed valuation on which taxes will be paid this year comes nearer being a true representation of the actual value of property than has ever before been attempted and much property has been listed by the assessor that has never been on the tax books before, and there is still thousands of dollars yet unassessed, according to the assessor, for finding money for taxation purposes is like looking for the proverbial needle in the haystack—it can't be found.

Assessor Smith in his report shows that Maryville taxpayers have $1,129,143 in money, bonds and other collateral, a larger amount than was ever before listed for taxation purposes.

The valuation in detail for Polk township, as shown from the record, is as follows:

City real estate	$3,611,320
Horses, 57, value	5,289
Mules, 2, value	200
Cattle, 172, value	8,480
Hogs, 23, value	230
Money, notes, mortgages	1,129,143
All other personal	183,765
Total	$4,938,418
Country real estate	$8,055,360
Horses, 1,909, value	182,815
Jacks, 13, value	1,460
Mules, 467, value	44,375
Cattle, 6,064, value	270,580
Sheep, 1,310, value	6,605
Hogs, 4,255, value	43,560
Stallions, 15, value	1,730
Money, notes, bonds, etc.	156,170
Total	$8,828,695
Grand total city and country	$13,767,113

As showing the difference in the valuations for the year 1916 and valuations for the present year the following figures are from the assessor's books for 1916:

City real estate	$1,238,955
Horses, 190, value	6,586
Mules, 15, value	715
Cattle, 210, value	3,605
Hogs, 42, value	107
Money, notes, bonds, etc.	598,019
All other personal	120,295
Total	$1,968,345
Country real estate	$1,759,735
Horses, 2,137, value	84,480
Asses, 26, value	1,760

21 ENLISTED AT ST. JOSEPH

Ten Nodaway County Towns Will Get Credit in the Next Draft for Men Who Are Now In the Service

Of the men from Nodaway county who have enlisted for service in the army and navy, twenty-one enlisted at the recruiting stations in St. Joseph, according to information secured by the St. Joseph Gazette from the recruiting office there. Maryville led the towns in Nodaway county, with four men, with other towns furnishing men as follows: Burlington Junction one; Barnard one; Conception Junction two; Clyde two; Guilford three; Hopkins three; Parnell two; Quitman one; Skidmore two.

Says the Gazette:

"More than two hundred towns and cities in twenty states and the District of Columbia will get credit on the next draft for men who have enlisted in the army in St. Joseph since June 30, 1917. Every man enlisting at the army recruiting station here is required to give his home address and the name and address of some person who is to be notified in an emergency. This statement is sworn to by the applicant, and the community from which he comes thus gets credit.

"Up to Friday night 643 men had been enlisted here in the almost seven months that have elapsed since credit was stopped for the last draft. Of these, naturally, St. Joseph led, her contribution being 274 men. The other 369 men came from 204 cities and towns."

WORK HARD FOR GOAL

CAMPAIGN FOR SALE OF WAR SAVINGS STAMPS A LIVE ONE

MORE WORKERS NEEDED

In One of the Biggest Drives Yet Undertaken Here Strenuous Efforts Will Be Necessary

The war savings stamp committee for Polk township started the campaign yesterday morning that will last through thrift week, having set a goal of $75,000 to be reached. The work of soliciting is well under way with a number of active workers and the committee hopes to have many more at work before the end of the week—in fact it will be absolutely necessary to put forth strenuous efforts if the mark is reached.

Sales agencies for stamps have been placed with a number of stores and buyers are being solicited in a score of establishments. At Reuillard's sales have amounted to more than $500. At the Maryville Electric Light company offices Manager C. C. Hellmers is offering stamps as change for all who can be persuaded to accept them. The Hanamo telephone company plans to aid in the sale of stamps with their own original literature that will be sent to patrons of the company.

At the High School a live organization is at work under the direction of Chas. Bellows, Jr., and are making an active campaign for the sale of the stamps. Normal school students are also organized and are pushing the sale of stamps among their friends, the faculty and others.

The women were busy over the phone yesterday getting pledges and reported a number of sales. The D. A. R. unit, Mrs. W. J. Montgomery, captain, and Mrs. Elmer Fraser, solicitor, led the first day's sales. The women will continue to work throughout the week.

A number of four-minute men have urged the buying of stamps at all meetings and public gatherings that have been held since last Saturday night, including church services.

The work of solicitation will be augmented from now until the close of the campaign by other workers, for it is appointed that Maryville and Polk township must make good in this latest drive to help win the war, for outside of the Liberty Bond campaigns this is the biggest thing that the men of Maryville have had to handle and it is going to take hard work to put it over.

GOVERNMENT NEEDS CLERKS

Pres. Padgett of Business University Urged to Aid in Recruiting Stenographers, Typists and Accountants

President Padgett of the Business University is in receipt of a request by President John A. McIlhenny of the civil service commission, asking his aid to furnish the government with thousands of stenographers, typists accountants and general clerks.

The statement is made that "The actual fightin gforces would be powerless without an efficient civilian army behind them," and that "It is YOUR duty to serve the government, and at once."

President Padgett is urged to bring this matter to the attention of all who might be interested and to advertise in any manner possible. The usual salaries paid are $1100 to $1800 a year, but lower or higher salaries may be paid in accordance with one's education, training and experience.

No examination will be required for these positions. Prof. Padgett's recommendaton with other corroborative evidence of education and experience is all that will be necessary to obtain one of these positions.

Several thousand openings will be made in the business world by others who are going into the service and those who enter school now can soon prepare for those positions as well as those in the government service.

11 Below This Morning.

The present cold spell likes but little of being as severe as the one earlier in the month. The thermometer this morning, according to the weather bureau here, was eleven degrees below zero. Warmer weather is the forecast with more snow promised tomorrow.

HUFF JURY FAILED TO AGREE

Stood Ten to Two for Acquittal in Arson Case—George Butler Paroled Following Fine of $500

The jury hearing the case of Doss Huff, charged with arson, after being out since seven o'clock yesterday evening, failed to agree, and were discharged by Judge Dawson in circuit court this afternoon. It was learned that the jury stood ten to two in favor of acquittal.

It is not expected there will be any more jury trials at this term of court, as the petit jurors were discharged until February 25, when several cases are set for hearing. Court, however, is not adjourned, but Judge Dawson will hear motions and a number of civil and equity cases.

George Butler, charged with grand larceny, entered a plea of operating a motor car without the consent of the owner and was given a fine of $500. On recommendation of the prosecuting attorney the defendant was admitted to parole.

KEEPS BLUES AWAY

LETTER WRITING OCCUPIES THE SPARE TIME OF BOYS IN CAMP

AN INFLUENCE FOR GOOD

In the Central Military Department Last Month 300,000 Men Wrote Nearly Four Million Letters

The American boy in camp is a great little letter writer, according to a statement just made public by the National War Work Council of the Y. M. C. A.

In the central military department alone a total of 3,724,693 letters were written during the last month. With nearly 300,000 enlisted men stationed within the department the averagee would be about twelve letters to each man.

The great majority of these letters are written in Y. M. C. A. buildings on Y. M. C. A. stationery. Paper and envelopes are furnished to enlisted men free of charge. The Y. M. C. A. buildings are fitted with desks running the full length of the buildings. Hundreds of men use them at the same time.

All the Y. M. C. A. huts in camp are placarded with such signs as: "Don't Forget to Write Home," and "Remember Mother's Letter First," the reason being that the writing of letters has a great influence for good. Likewise the receipt of letters from home does more than anything else to keep a soldier boy happy and contented.

Entertainments, lectures, athletic contests and recreational games under Y. M. C. A. auspices serve the boys in their leisure moments and keep them from getting homesick. An effective work is being done, the report says, for the men in hospitals. The secretaries visit them and write letters for those who are too ill to write or read to others who cannot do so for themselves. They also organize educational classes and conduct religious services for the men in the hospitals.

THE FUN FESTIVAL TONIGHT

Over Seventy-five Tickets Have Already Been Sold for the Big Commercial Club Event

All the settings are complete for the Commercial Club "Fun Festival" at the Elks Club at 8 o'clock tonight. A program filled to the brim with music, humor, surprises and good speeches has been arranged.

The committee, of which H. L. Raines is chairman, announced this morning that more than seventy-five tickets had been sold and everything pointed to a most successful event. Both of the guests of honor have arrived and many who are not members of the club have accepted the cordial invitation of the members to attend the "get-together."

One of the things which is being emphasized is the fact that there are several numbers of the program that are being kept "under cover." The committee guarantees that every man who attends will get more than his money's worth in laughs and eats.

Peter Byrnes of Phillips, S. D., who has been visiting his mother, Mrs. Anna Byrnes and his aunt, Mrs. A. K. Felix, of Maryville, left today for his home.

LOST A FAST GAME

LEMKE'S BUNCH TOO SPEEDY FOR THE NORMAL BEARCATS

LONG SHOTS FEATURE

Polster and Richards Got Goals From Center — Central Forced to Go at Top Speed, However

In spite of the fact that the Central Wesleyan team of Warrenton took last night's game from the Normal Bearcats by the score of 49 to 34, the Normals are rather proud of even the losing end, for the Lemke players are the fastest basket ball aggregation that has been on the local court in years. Walter Hanson, athletic director at the Normal, can figure no other conference team that has shown better form. The Centrals were forced to go at top speed at all times, however, as the Normals gave them no chance to let up or to use any but first team men. The subs had to be content with looking on. The game was featured by long shots which were seemingly impossible and which made guarding necessary. Polster and Richards both got goals from center.

The Warrenton players scored three field goals before the Bearcats got started. Three baskets and a free throw put the Normals in the lead 7-6, the only time during the game when they had the advantage. The game was fast and clean, the greater number of fouls, however, being credited to the Centrals. For accurate goal shooting, lightning fast team work and an almost impenetrable defense the visitors stand far above the average conference team. That the Normals came so close shows the strength of the home team.

Following is the score: first half 28-18; second half 21-16; total 49-34.

The lineup—

Zimmerman	F	Miller
Jacoby	F	Scott
Jacoby	F	Scott
A. Polster	C	McMahon
R. Polster	G	Wells
Herman	G	Richards

Field goals—Warrenton: Zimmerman 7, Jacoby 2, A. Polster 12, R. Polster 1, Herman 1. Normals: Miller 1, Scott 4, McMahon 7, Wells and Richards 1 each.

Keedy Campbell of Kansas City refereed the game, which was witnessed by one of the best crowds in recent years.

The Wesleyans play Tarkio tonight, following with a game with the William Jewells. Both games will be watched with interest.

LIEUT. BRANIGER GOES UP

Is Ordered to Report for Duty to the U. S. Army General Hospital at Fort Des Moines, Iowa

In a letter to his parents, Mr. and Mrs. R. S. Braniger, Lieut. Earl Braniger, stationed at Fort Des Moines, Ia., tells of having secured an assignment to the U. S. army general hospital. His letter says:

"I received orders this morning relieving me from my assignment at Fort Des Moines and ordering me to report to the commanding officer of the United States army general hospital No. 11 at Fort Des Moines for duty."

Lieut. Braniger adds in his letter that he has been hoping for the place and that he appreciated it more than he did a promotion. He expects to remain at his new post for some time.

Mr. and Mrs. Roy Ellis of Hopkins returned from a visit with relatives in Diagonal, Iowa.

HURRY NEW DRAFT

QUICK ACTION PROMISED ON BILL FOR MEN NOW 21

TO ADD 1-2 MILLION MEN

Senate Interstate Commerce Committee Votes to End Government Railway Control One Year After War

Washington, Jan. 29.—Quick action by congress to authorize the war department to draft all men who have attained the age of twenty-one since the registration of June 5, last, was promised by the senate military affairs committee this afternoon. The measure is expected to add fully half a million men to those already available for service.

Official and diplomatic Washington today was a hotbed of rumors that President Wilson was about to make a reply to suggestions coming from Count Czernin, Austrian foreign minister, that an immediate frank discussion of war aims would result in an early peace. The White House however, was silent on the subject.

With no reason being assigned, President Wilson this afternoon cancelled his usual Thursday cabinet meeting. It is the second one he has called off within the week.

The admintsiration program of Senator Reed was set back this afternoon when the senate interstate commerce committee voted seven to six to limit the period of government control of railroads to one year after the war had ended.

Two Killed In Explosion.

Marquette, Mich., Jan. 29. — Two persons were killed and a score injured in a series of explosions followed by a fire which destroyed an alcohol refining plant and primary buildings of the Pioneer Iron Furnace here. The officials of the company expersssed doubt as to the police theory of the plot.

Oliver Gray Ill.

Oliver Gray is ill of throat trouble at the home of Mr. and Mrs. Hess of near Burlington Junction. Mr. Gray was one of the drafted boys and went with the second contingent on September 19 to Camp Funston. He was later removed to a camp hospital in Camp Pike, Ark., but was in such poor health he received an honorable discharge the latter part of December. A sister, Miss Clara Gray, is assisting in caring for him.

Returned to Home.

Miss Clara Jameson of Stanberry, who has been visiting with friends in Maryville returned this morning to her home. She was accompanied home by Miss Marguerite Cummins.

Miss Lucile Booton, a nurse of Omaha, is in Clearmont caring for Mrs. Mary Ann Linebaugh, who is very ill of pneumonia.

Cole's
High Oven Stove

The most efficient stove, where it is advantageous to combine heating and cooking, is the Cole's High Oven—and that isn't all — there are many features about this stove which should commend it.

It will burn anything—like the famous air-tight heaters, and it will hold fire over night and be ready to do its work both as a heater or cooker in the morning by simply putting in some wood, or cobs, or trash, or anything that will burn,and open the drafts.

It is the greatest space saver in the world, and would be a great stove for a small kitchen or for rooms where it is desirable to do the cooking on the heating stove—for that reason it is

THE MOST ECONOMICAL STOVE

on the market. The same fuel that heats the room does the cooking, baking, washing and ironing, and in these days of thrift and shortage of fuel it is really the stove to have.

Put a Cole's High Oven somewhere in the house even if you have other stoves—it will be a great saving in fuel.

Public Sale

As I am moving some distance from Pickering, I will sell at public auction on the Bosch farm, 1 mile south of Pickering, 7 miles north and ½ mile east of Maryville, on

Monday, February 4

at 10 a. m., the following property:

5 Head of Horses and Mules—Team, one 4-year-old and one 3, bay geldings; one 3-year-old bay mare, weight about 1200; team coming 2-year-old mules. All sound.

51 Head Cattle—Consisting of 12 cows, 6 having calves and others bred to calve early. Some of these are real good milk cows. 17 heifers, consisting of 12 head of Shorthorns and 5 head of Angus, most all bred to calve in April; 16 head steers, 8 yearlings and 8 2-year-olds. Most all these cattle are carrying good flesh.

35 Head of Hogs—15 head bred gilts, mostly pure bred Poland-Chinas, all bred to a good registered Poland-China boar; 20 head of fall pigs.

Hay and Grain—20 tons good timothy barn hay; about 800 bushels extra good, hard Yellow Dent corn; about 40 bu. of barley and some rye. Also a lot of straw.

Farm Implements—Consisting of a general line of machinery. Also 10 bushels Prize Taker onions.

Terms—Sums under $10, cash; over that amount a credit of 6 months time will be given, purchaser giving bankable note bearing 8 per cent interest from date. No property to be removed until terms of sale are complied with.

Lunch will be served by the Ladies Aid Society of the Christian church of Pickering.

This place will be rented on day of sale if not sold before.

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not have to bother with a cloth. You simply rub it on—and usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients.

They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

Serve Your Country
BY SAVING MONEY

EVERYBODY has been asked to save in every way possible. But not much has been said about conserving labor and materials, and saving money as a means of serving the country. This page is to say something about it.

You've always been told you ought to save money; every day some savings bank advertisement tells you so. The chief reason given for saving money has been that you'd have the money with interest later on, as a step to financial independence and success.

This is an excellent reason, but there's a better reason than that. Save because we have pledged the honor of our country and our people to fight this war to our last dollar and to our last man, if necessary. America does not break her word. The necessities of the war must be produced, and must be produced quickly. The key to the situation, therefore, rests in the hands of the average man, woman and child in every state in the Union who can, by refraining from everything not absolutely necessary to health and efficiency, release strong arms to the production of materials of war and the support of our army and navy.

Money saved makes of you a better man or woman, boy or girl; makes you dependable, responsible; increases self respect, which increases your value.

Save money to help your country; and in order to help you do it, our government has prepared War Savings Stamps and U. S. Thrift Stamps, which you can buy in sums as small as 25 cents at a time.

1—WAR SAVINGS STAMPS ARE A PROMISE TO PAY YOU THE AMOUNT YOU INVEST, AT THE END OF 5 YEARS, WITH 4 PER CENT INTEREST COMPOUNDED EVERY THREE MONTHS.

2—YOU CAN TURN THEM INTO CASH ANY TIME WITHOUT LOOKING FOR A BUYER; JUST GO INTO ANY POST OFFICE AND GET THEM CASHED.

3—YOU CAN INVEST IN U. S. THRIFT STAMPS AS LITTLE AS 25 CENTS AT A TIME, AND AS MUCH MORE AS YOU PLEASE.

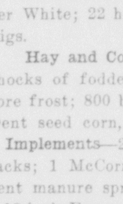
MAZOLA

This delicious cooking and salad oil from corn is wonderfully economical



Mazola is a pure oil, pressed from American corn, for deep frying, sautéing, shortening and salad dressings.

Mazola can be used over and over again—it does not transmit taste or odor from one food to another.

Since Mazola is a *vegetable oil* it enables you to follow the plans of the Food Administration for saving butter, lard and suet. More economical than the old cooking mediums, too.

Get Mazola from your grocer in pint, quart, half-gallon or gallon tins—the large sizes are the most economical. Also ask for the free Mazola Book of Recipes, or write us direct.

Your money refunded if Mazola does not give entire satisfaction.

You Get Better Cough Syrup by Making it at Home

What's more, you save about $2 by it. Easily made and costs little.

You'll never really know what a fine cough syrup you can make until you prepare this famous home-made remedy. You not only save $2 as compared with the ready-made kind, but you will also have a more effective and dependable remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly.

Get 2½ ounces of Pinex (60 cents worth) from any good drug store. Pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Here you have a full pint—a family supply—of the most effective cough syrup that money can buy—at a cost of only 65 cents or less. It never spoils.

The prompt and positive results given by this pleasant tasting cough syrup have caused it to be used in more homes than any other remedy. It quickly loosens a dry, hoarse or tight cough, heals the inflamed membranes that line the throat and bronchial tubes, and relief comes almost immediately. Splendid for throat tickle, hoarseness, bronchitis, croup and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.
